S

Security Council

Distr.
GENERAL

S/12119
29 June 1976

Original: English

Guyana, Pakistan, Panama and United Republic of Tanzania:
Draft resolution

The Security Council,

Having considered the item entitled "The question of the exercise by the Palestinian people of its inalienable rights", in accordance with the request contained in paragraph 8 of General Assembly resolution 3376 (XXX) of 10 November 1975,

Having heard the representatives of the parties concerned, including the Palestine Liberation Organization, representative of the Palestinian people,

Having considered the report of the Committee on the Exercise of the Inalienable Rights of the Palestinian People (documents S/12090), transmitted to the Security Council in accordance with the provisions of paragraph 7 of General Assembly resolution 3376 (XXX),

Deeply concerned that no just solution to the problem of Palestine has been achieved, and that this problem therefore continues to aggravate the Arab-Israeli conflict, of which it is the core, and to endanger international peace and security,

Recognizing that a just and lasting peace in the Middle East cannot be established without the achievement, inter alia, of a just solution of the problem of Palestine on the basis of the recognition of the inalienable rights of the Palestinian people,

1. Takes note of the report of the Committee on the Exercise of the Inalienable Rights of the Palestinian People (document S/12090);
2. Affirms the inalienable rights of the Palestinian people to self-determination, including the right of return and the right to national independence and sovereignty in Palestine, in accordance with Charter of the United Nations.

The Security Council on 29 June 1976 voted on the draft resolution as follows:

In favour: Benin, China, Guyana, Japan, Pakistan, Panama, Libyan Arab Republic, United Republic of Tanzania, Romania, Union of Soviet Socialist Republics.

Against: United States of America.

Abstained: France, Italy, United Kingdom of Great Britain and Northern Ireland, Sweden.
