

# Why

do western governments  
want field hospitals **outside**  
the Gaza Strip? -----

- Why do they **want** the establishment of field hospitals in Egypt?
- Why do they **want** to establish floating hospitals in the sea?
- Why don't they **want** field hospitals to be established inside Gaza Strip?
- Why don't they **want** medicines to enter hospitals in Gaza Strip?

**Because  
Israel **wants**  
to evacuate  
hospitals  
in order to  
bomb them!**
