

How has Israel been able to
continue its **genocide** and
ethnic cleansing in the Gaza
Strip and the West Bank?

1 **The complicity**
of western colonial states

2 **The absence**
of sanctions to stop
Israel's genocide

3 The failure

of the UN and the international community to provide protection

4 The silence

of most Arab states in the region

5 **The bias**

of mainstream media

6 **The suppression**

of the global Palestinian
solidarity movement

At almost a year of
genocide and over 76
years of ongoing Nakba,
the only choice for the
Palestinian people is

to resist

the Israeli colonial-
apartheid regime.
