The Israeli-American led UN-Replacement Plan

VIOLATES

**All Humanitarian
Principles**

There is no

HUMANITY

in using aid as a
weapon of war

There is no

NEUTRALITY

in a privatized and
militarized system
of aid delivery

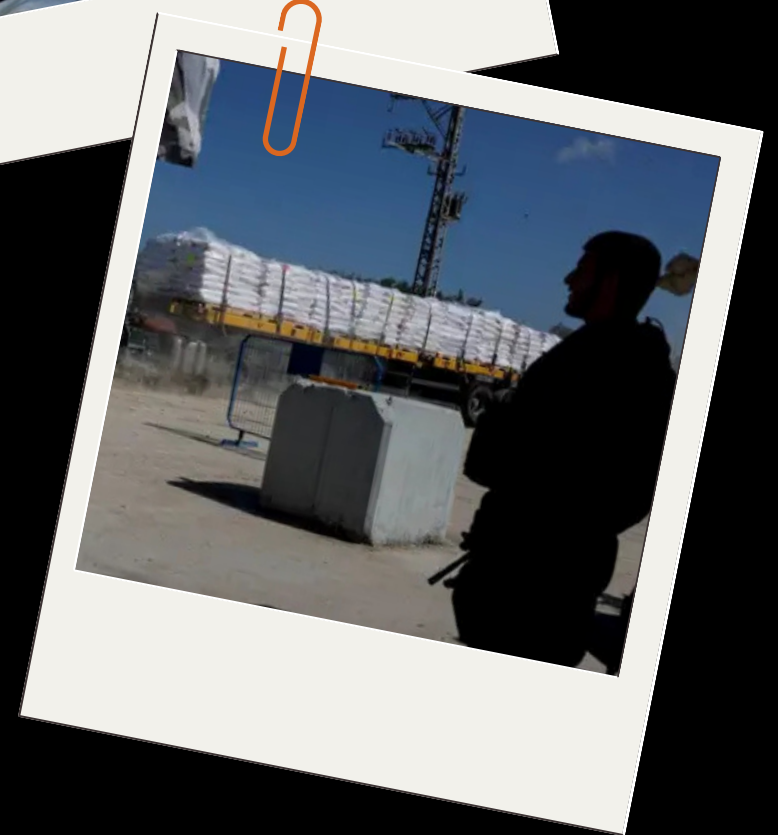

BADIL_Center

There is no

IMPARTIALITY

when same entity
that destroyed Gaza
controls aid delivery

There is no

INDEPENDENCE

when aid delivery is based
on the "security" concerns
of the perpetrator of the
genocide

**The US-Israeli “Humanitarian Plan” is
another way to ensure an ongoing
genocide and ethnic cleansing of
the Gaza Strip.**
